Employer's Address: Phillips Community Center, 2323 Eleventh Avenue South, Suite 219, Minneapolis, MN 55404	

Describe your background related to any required or desirable qualification listed in the Notice. Include applicable experience with civic, professional or volunteer organizations and other city boards or commissions. List any awards or special recognition.

I am currently chairman of Ventura Village, having served my neighborhood/community in an elected capacity since 1993. Upon my retirement in 2007 from the American Indian Community Development Corporation that I co-founded and served as Assistant Director, I have actively promoted wellness activities. I am also a member in good standing with Allina Health's Backyard Initiative (BYI), serving as chair of the A-POD (Diabetes) Citizen Health Action Team (CHAT), a BYI Commissioner of Health, a member of BYI's Community Resource Board and serve as a Elder Legacy group member. I am a certified Master Trainer in Stanford University's Chronic Disease Self-Management Program (CDSMP) through the Native American Community Clinic's Living in Balance program. I am also a certified trainer in A Matter Of Balance, a fall prevention program for senior citizens and was once a certified trainer under the Arthritis Foundation's YMCA Aquatic Program (AFYAP), which will be renewed as part of the revitalization of the Phillips Community Center's swimming pool facilities. I also serve on the Minnesota Department of Health's Diabetes Steering Committee. Along with several A-POD colleagues, I am currently designing a program we call "Ringing Rubber Bells" a swimming pool-based program designed to improve participants' core strength and balance. It is based on the use of flotation devices designed to force users to balance and re-balance themselves within the safety of water. There is an associated certification and training program that we will be working toward obtaining to help us better design and implement this program.
